RÉSUMÉS (voir aussi Présentations par affiches)

1. Aortic arch or descending aorta position during repair of esophageal atresia? Time to take sides. Delisle M, Baird R, Lévesque D, Laberge JM. Diseases of the Esophagus 26(4) 2013:428-442.
2. Congenital esophageal stenosis (CES) associated with EA. McCann F, Michaud L, Aspirot A, Lévesque D, Gottrand F, Faure C. Diseases of the Esophagus 26(4) 2013: 428-442.
3. A pilot investigation of feeding problems in children with EA. Baird R, Lévesque D, Birnbaum R, Ramsay M. Diseases of the Esophagus 26(4) 2013 428-442.
4. Baird R, Lévesque D. A Mixed Methodology Analysis of Caregiver Satisfaction Towards the Multidisciplinary Care of Children with Esophageal Atresia—the Importance of Caregiver Interactions. JSR February 2013; vol 179 issue 2 page 195.
5. Arterio-esophageal fistula from an aberrant right subclavian artery after esophageal stenting for stenosis after atresia repair. Andrea Lo (surgery fellow), Robert Baird, Dominique Lévesque, Véronique Morinville, Jean-Martin Laberge. First International Workshop on EA, Lille, France, May 27-28, 2010.
6. Esophageal manometry: Mandatory for ph probe placement in EA paediatric patients Brigitte Moreau (GI fellow), Sandra Kambites, Dominique Lévesque. First international Workshop on EA, Lille, France, May 27-28, 2010.
7. Association of ectopic pancreas and esophageal atresia-tracheo-esophageal fistula in children. B Moreau (GI fellow), D Lévesque, C Faure. CAG Meeting, February 2009 and DDW 2009.
8. Lévesque D. Achalasia-like motility disorder in a child after esophageal atresia repair. Acta Gastro-enterologica Belgica. 2003.
9. Abdullah Al Shehri, Andrea Lo, Robert Baird. Non-mortality Outcome Prediction in Esophageal Atresia 2011 (CAPS meeting, Ottawa)

Présentations par affiches

1. Le réseau québécois interuniversitaire d'étude de l'atrésie de l'œsophage: RQAO. Righini Grunder F., Bouin M., Lévesque D., Castilloux J., Mayrand S., Faure C. Montreal, Canada, JFI (Journées fédératives interdisciplinaires) November 4, 2016.
2. Parental Report of Feeding Problems in Children with Esophageal Atresia - Tracheoesophageal Fistula. Birnbaum R., Levesque D., Ramsay M. 4th International Conference on Esophageal Atresia: Coming Together, Sydney Australia. September 15-16, 2016.
3. Endoscopic multidisciplinary team for EA-TEF patients: A pilot study. Lévesque D, Zielinski D, Daniel S. 3rd International Congress on Esophageal Atresia: Bridging the Gap. Rotterdam, The Netherlands, October 2-3, 2014.
4. Progression toward oral feeding in a child with long gap esophageal atresia: A case presentation of an interdisciplinary approach. Ramsay M, Birnbaum R, Trempe M-J, Puligandla P, Lévesque D. 3rd International Congress on Esophageal Atresia: Bridging the Gap. Rotterdam, The Netherlands, October 2-3, 2014.
5. Yousef Y, Sun L Y-C, Baird R, Laberge J-M: Radiation Exposure and Attributable Lifetime Cancer Mortality Risk for Patients with Esophageal Atresia. Poster presentation, Third International Esophageal Atresia Conference, Rotterdam, October 2014.
6. Sun L Y-C, Laberge J-M, Yousef Y, Baird R: The esophageal anastomotic stricture index (EASI) for the management of esophageal atresia. APSA meeting, May 2014; also presented as a poster at the Third International Esophageal Atresia Conference, Rotterdam, October 2014.
7. A mixed methodology analysis of caregiver satisfaction towards the multidisciplinary care of children with esophageal atresia—the importance of caregiver interactions. Baird R, Lévesque D. Academic Surgical Congress (ASC 2013), New Orleans, February 2013.
8. Aortic arch or descending aorta position during repair of esophageal atresia? Time to take sides. Delisle M, Baird R, Lévesque D, Laberge JM. 2nd International Conference on Esophageal Atresia: From the Fetus to the Adult. Montreal, Canada. October 8-9 2012.
9. Kay-Rivest E, Baird R, Laberge J-M, Puligandla PS. An Evaluation of Aortopexy in the Management of Severe Tracheomalacia after Esophageal Atresia Repair. Second International Esophageal Atresia Conference, Montreal, Oct 2012.
10. Congenital esophageal stenosis (CES) associated with EA. McCann F, Michaud L, Aspirot A, Lévesque D, Gottrand F, Faure C. 2nd International Conference on Esophageal Atresia: From the Fetus to the Adult. Montreal, Canada. October 8-9 2012.
11. A pilot investigation of feeding problems in children with EA. Baird R, Lévesque D, Birnbaum R, Ramsay M. 2nd International Conference on Esophageal Atresia: From the Fetus to the Adult. Montreal, Canada. October 8-9 2012.
12. Arterio-esophageal fistula from an aberrant right subclavian artery after stenting esophageal for stenosis after atresia repair. Andrea Lo (surgery fellow), Robert Baird, Dominique Lévesque, Véronique Morinville, Jean-Martin Laberge. 2010 Annual Meeting of the Canadian Association of pediatric surgeons. Saskatoon, September 23-26, 2010.
13. Esophageal manometry: Mandatory for ph probe placement in EA paediatric patients. Brigitte Moreau (GI fellow), Sandra Kambites, Dominique Lévesque. First International Workshop on EA, Lille, France, May 27-28, 2010.

14. Association of ectopic pancreas and esophageal atresia-tracheo-esophageal fistula in children. B Moreau (GI fellow), D Lévesque, C Faure. CAG meeting February 2009 and DDW 2009.
15. Achalasia-like motility disorder in a child after esophageal atresia repair. Lévesque D. Second European Pediatric GI Motility Meeting, Brugges, Belgium, 2003.

Présentations orales

1. The emotional burden of esophageal atresia. Baird R, Laberge J-M, Lévesque D. 3rd International Congress on Esophageal Atresia: Bridging the Gap. Rotterdam, Netherlands, October 2-3, 2014.
2. Nature is amazing: A case of spontaneous anastomosis in a long gap esophageal atresia. Emami C, Lévesque D, Laberge J-M, Emil S. Canadian Association of Paediatric Surgeons 46th Annual Meeting, Montreal, Canada, September 18-20, 2014.
3. A mixed methodology analysis of caregiver satisfaction towards the multidisciplinary care of children with esophageal atresia-the importance of caregiver interactions. Baird R, Lévesque D. Presented at the Academic Surgical Congress, New Orleans 2013.
4. Achalasia-like motility disorder in a child after esophageal atresia repair. 1st North Eastern Pediatric GI Conference, Montreal, Canada, June 2003.

Présentations orales plénières

1. 4th International Conference on Oesophageal Atresia: Coming Together. Sydney, Australia, September 15-16, 2016. Feeding difficulties in EA patients. M. Ramsay.
2. 3rd International Conference on Esophageal Atresia: Bridging the Gap. Rotterdam, Netherlands, October 2-3, 2014. Feeding difficulties in esophageal atresia and tracheo-esophageal fistula: Physiological and psychological aspect and their impact on patients and their families. M. Ramsay.
3. Congrès EA. Montréal, September 13, 2012.
 - Thoracotomy: not as bad as they want you to think. Dr JM Laberge
 - What are the alternatives for refractory strictures? Dre D Lévesque
 - Feeding difficulties in children with esophageal atresia. Dr M Ramsay et Rena Birnbaum
 - Congrès : Présentation des exposés
4. June 12-15, 2014: ATOE-FTOE: Comment une approche multidisciplinaire peut améliorer le suivi de ces patients? Congrès international francophone ORL et chirurgie cervico faciale, SIFORL 2014, Montréal, Canada
5. November 2012: Summary of medical presentations of the 2nd International conference on esophageal atresia: from the fetus to the adult. AQAQ (Association québécoise de l'atrésie de l'œsophage) Annual Meeting. Montreal, Canada
6. May 2010: Multidisciplinary clinics: how to improve the follow-up of the patients? First International workshop on EA. Lille, France

CHAPITRES DE LIVRE

1. Baird R and Laberge JM: Esophageal atresia and tracheo-esophageal fistula. In: Mattei P editor: Fundamentals of Pediatric Surgery: Second Edition, Springer, New York 2017. Chapter 30, p. 257-267.
2. Laberge J-M: Esophageal atresia and tracheo-esophageal fistula. In: Mattei P editor: Fundamentals of Pediatric Surgery. Springer, New York 2011. Chapter 33, p. 223-232.

Manuels

1. Pediatric Surgery, 7th Edition. Coran AG, Adzick NS, Krummel T, Laberge J-M, Shamberger R, eds. Philadelphia, Elsevier Saunders 2012 (responsible for editing 28 chapters, among which the ones on esophageal atresia and esophageal replacement)

PROJETS EN COURS

1. Banque de données de patients opérés d'atrésie de l'œsophage. Approved by Ethics Committee. Principal Investigator: Dr. Faure. Co-Investigators: Dr. Bensoussan, Dr. Bouin, Dr. Lapierre, Dr. Lévesque, Dr. Mayrand, Dr. Puligandla.
2. Feeding difficulties in children with esophageal atresia. Approuvé par comités éthique et scientifique Approved by ethics and scientific committees October 2012. Principal Investigator: Dr. Robert Baird. Co-Investigators: Dr. D Lévesque, Maria Ramsay, Rena Birnbaum.
